WELCOME ADDRESS

EURO
VIROLOGY
2022

Dear Attendees,

The Euro Virology 2022 Organizing Committee is absolutely delighted to welcome you to the **14th International Virology Summit** which will be held in **Barcelona, Spain** on **August 22-23, 2022**, where we will be shining a spotlight on *"Importance on Focus and Understanding the Viral Diseases for a Better Life"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your infectious diseases research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which stands on the River Thames in southeast England, which is called as London. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2022 for an experience of a lifetime.

With Regards

Spain is one of the most popular tourist destinations in Europe. The city combines modern and historic architecture in a unique way. Barcelona is one of the most popular cities of Spain and the biggest city after Madrid in country. The city's port is one of the busiest on the Mediterranean Sea that caters to its economy. Due to closeness to Mediterranean, the beaches are best place to relax. Some of the famous beaches are Nova Icaria, Bogatell, Marbell and Nova Mar Bella. The city's transport system is facilitated by the urban belt of rapid transit including subways, tunnels cable cars, freeways and buses. Barcelona is one of the world's leading tourist, economic, trade fair and cultural centers, and its influence in commerce, education, entertainment, media, fashion, science, and the arts all contribute to its status as one of the world's major global cities. Barcelona has a humid subtropical climate bordering a maritime Mediterranean climate (Csa), with mildly cool winters and hot, muggy summers, while the rainiest seasons are autumn and spring

It has a huge number of attractions including a city centre which retains its medieval street plan; some stunning modernist architecture including several buildings by Gaudi - Spain's most famous architect; dozens of museums including one dedicated to Picasso, another to Miró and yet another to Barça, Barcelona's world-famous football club! The total city area is 91 square km and the metropolitan is 477 square km. Barcelona has an average temperature around 16-degree Celsius and the average temperature in summer is 29 degrees Celsius. Barcelona is famous for its Catalan culture. The University of Barcelona is one of the oldest Universities founded in 1450 and the autonomous University of Barcelona are the city's educational and research institutions. There are some museums which include the Museum of Catalanian Art, the Museum of Modern Art, the Maritime Museum and the Picasso Museum. Barcelona is a very dynamic south-European and Mediterranean city. It is the perfect city to relax in with its charming people, stroll around the modernist art and enjoy its fine gastronomy.
