

PERTH, WESTERN AUSTRALIA

Saturday 14th September 2024

0800 - 1300

Fiona Stanley Hospital

SAS 2024 **AIRWAY WORKSHOP**

ROADSHOW

Safe Airway Society is proud to present a truly interdisciplinary approach to airway workshops. Each workshop will provide skills sessions tailored for airway operators and airway assistants, with the opportunity to come together at the end of each station to practice their combined roles in a non-stressful, judgement-free, low fidelity environment.

The four skills stations offered include:

Tracheostomy/Laryngectomy Emergencies

Advanced supraglottic airways (including SGA to ETT conversion and AFOI via SGA)

Neck Rescue (ANZCA ER-CICO sign off)

HAVL or AFOI (choose one)

pre-hospital - emergency - anaesthesia - intensive care - paramedicine - nursing - medical - airway surgeons
