

PERIOPERATIVE MEDICINE SPECIAL INTEREST GROUP ANNUAL REPORT 2010

1. Overview of activities of the SIG for 2010
2. Financial Report- attached (TBC)

1. OVERVIEW of ACTIVITIES 2010

In accordance with the SIG's constitution, the Peri-operative Executive Committee consists of the following:

Executive

The Executive currently comprises:

Chair	Dr Vanessa Beavis	NZ
Member	Dr Catherine Sayer	NZ
Member	Dr Dick Ongley	WA
Member	Dr Jane Trinca	VIC
Member	Dr Patricia Goonetilleke	VIC
Member	Dr Ross Kerridge	NSW
Member	Dr Su Jen Yap	NSW

Membership

We plan to call for membership this year, once we have a presence on the website.

Somehow, the existence of the SIG was omitted from the list of SIGs that went out with the annual subscription notice, however, that will be remedied next time.

The interim executive consists of fellows with a particular interest in perioperative medicine, rather than geographical representation.

Completed Activities

The first teleconference was held in August 2010. The plan is to develop interest in perioperative medicine from the 'grass roots' up. This will include development of resources for the fellows in the medical areas of perioperative care.

Dr David Story has been approached and has agreed to sit on the executive.

Dr Ross Kerridge is working on the resource notes for the website.

Activities planned for 2011 and 2012

Call for membership

Election of an executive and in particular the chair.

Launch the SIG on the website and to the fellowship

Plan an education meeting for 2011/2012, along the lines of a single theme meeting

Start to develop the resources as suggested by the executive and the members.

Other notes

Thank you to Kirsty O' Connor for the admin support and organisation for this start up SIG.
